

NURSING / SKIN CLEANSING WIPES

Description

Nursing/Skin cleansing wipes - 150 Large Lanolin free moistened body wipes.

Directions for Use

Remove wipe from tub and wipe over affected area. Ensure tub is resealed after use.

Packaging

150 moistened non woven wipes packed in a plastic dispensing tub.
4 buckets packed per case

Benefits and Features

Natural fibre (cotton) wipes for maximum softness. Designed to eliminate the need for soap and water, these mildly bactericidal wipes will protect delicate skin in long term use. They also contain an odour neutralising fragrance.

Hazards

This is classed as a low hazard product.

Storage

Avoid extremes of temperature. Ensure tub is resealed after each use.
